Cleaning & Budgeting Special

So things have been manic, hectic and crazy with Fresher's week and the new term underway. The last thing you have probably thought about is cleaning and actually managing your money. So here at Student Lettings Agency we thought we'd help with a few tips, a printable cleaning rota and budget calculator... Bob's your uncle.

Currently BT.com has a **£29.99** phone line installation offer. If you're looking why not do this and then find a cheap provider elsewhere?

Magical Mashed Potato!

1. Peel potatoes/ carrots/ parsnips/ onions (whatever you have to hand) and cut them up. (The smaller they are the quicker they will cook).
2. Place the cut ingredients into a large pan of water, and boil until they are soft.
3. Whilst the potatoes etc. are cooking, in a separate pan, fry off a couple of rashers of bacon (cut into small pieces).
4. Drain potatoes, add the cooked bacon, a splash of milk and a knob of butter.
5. Mash away. Simply eat on its own as a snack or add some bangers and gravy! Wallah!
